quality in a SOFITEL hotel in China

Sofitel is a [French luxury hotel chain](#) which is [present all over the world](#).

In the 5-stars hotel in Xi'an, China, situated in the heart of the city, Sofitel gathered the Xi'an heritage and the French hospitality.

Besides the 414 rooms, suites and flats, the Xi'an hotel proposes 5 sophisticated restaurants (Chinese, Japanese, Muslim, barbecue and Western restaurant) and the Chain has trusted in CAPIC quality to equip the kitchen of the Azur restaurant (Western restaurant) with a Celtic range cooking suite.

greatly appreciates working with the CAPIC equipment (fryer, open burners, oven, plancha, lava stone chargril, pasta cooker...).

And of course, CAPIC is proud to have a new reference in China thanks to Sofitel.

SOCAMEL Improve food quality and hygiene for Hospital Puerta de Hierro Madrid Spain

The hospital Puerta de Hierro en Madrid for its 50 years anniversary was looking to improve the quality of meals

served to patients not in accordance with the hospital management.

SOCAMEL solution has been selected after several trials among main players in the industry. Today more than 1900 meals are served daily with the concept Double-Flow Ergoserv, meal delivery equipment with remote technology and convection technology supplied by Socamel Espana, subsidiary of Socamel Technologies France.
