The French Know How is recognized !

[More infos at bottom of the page](#)

The Norman hotel Tel Aviv, offering 50 individually designed rooms & suites, is described as a [tribute of style, sophistication and service](#). Other than EuroCave, what other brand could the architect and designer possibly have chosen to perfectly blend in with their dining rooms? Just like selective hotels worldwide, [EuroCave believes luxury IS in the details](#). Both ingenious and creative, ShowCave interests professionals for the effect it has

Four of the six ShowCave are located in [the French Mediterranean Norman Restaurant](#) and two others are located in [the roof top Japanese tapas restaurant](#). EuroCave distributor, Baron Agencies made a wonderful job, spending hours working with the Israeli architect Yoav Messer and interior designer David d'Almada of SAGRADA. About 5 years elapsed between the first meeting and the installation. [This year, the Norman Hotel was awarded](#)

[exceptional Wine selection](#) proposed by the Norman hotel, to be served at the perfect temperature.

[GO TO EUROCAVE](#)

Rosinox has been [selected as preferred supplier](#), thanks to his local partner who has proven high skill in installing world class kitchen projects, for [the brand new factory of Hatsun Agro Products](#). Hatsun Agro Products is the largest private sector dairy Company in India and is set to become [the fastest growing Dairy Company in the world](#). Over the years, Hatsun has been recognized for its ingenious strategies to deliver premium quality products processed using avant-garde technologies. There is where Rosinox has been selected for [the versatile, robust and performing appliances](#).

Two huge cooking islands have been supplied and installed in a perfect way and have now been performing for several months with full customer satisfaction . People working with appliances have been trained and a [constant service support](#) is provided in order to grant [TOP Class work](#). State of art pressure brat pan, steam kettles and more traditional open burners, fry tops grant the huge output requested for this type of kitchens.

TOURNUS EQUIPEMENT The French Know How is recognized!

An oasis of peace, right in the heart of Dakar the famous 5 star hotel Terrou-Bi, www.terroubi.com created in 1986 is already recognised as the best table in Senegal. For the refurbishment of its multiple restaurants, bars and the opening of the first cooking school in Senegal, Terrou-Bi has trusted Tournus Equipement. The main reasons have been the reputation of the French stainless steel leading manufacturer, as well as its reliability and the large size of its product range.
