**BRON COUCKE** *Legendary Venice Simplon-orient express*

Express, is celebrating 32 years onboard. Up to 180 guests are served on each journey from a galley kitchen the size of a small corridor.

The VSOE travels across Europe throughout the season : Venice, Prague, Budapest, Vienna, Istanbul, Stockholm and Copenhagen. The sector between Brenner to Innsbruck is really stunning as the train climbs up into the Alps. Christian Bodiguel is inspired by the destinations and the seasons. Christian Bodiguel and his staff are using many Bron-Coucké mandolins since years. He is buying these mandolins from Ets Lejeune in Asnières - France. No doubt that these mandolins give him entire satisfaction.

SATS 2 Ltd. is the in-flight catering service provider at Singapore Changi Airport. It controls about 80% of Changi airport's catering business, delivering over 40.000 meals every day to about 50 of the 68 scheduled airlines out of Singapore.

One of their biggest challenges in terms of cooking was to rationalize and improve their pasta cook & chill process, this following a steady will to provide their customers with the highest quality standards.

The CR250 is one of the CAPIC's cook & chill equipment range for pasta, rice, vegetables. Out of its industrial production areas, this machine especially helps cooking and chilling large capacities of starchy products with accuracy and consistency, on a reduced floor space. CAPIC confirms here its position as a supplier of specific cooking solutions for large central kitchens over the world.
