On the road with CAFE2U and UNIC

[More infos at bottom of the page](#)

Uno Mas – Spanish for “one more”, is an unique rooftop restaurant located on the 54th floor of Centara Grand at Central World in Bangkok, Thailand. [This vibrant oasis is split into three zones -- Wine Bar, Tapas & Raw Bar, and Dining Deck](#) - designed to take its guests on a journey for the senses through the Iberian Peninsula and Mediterranean.

Walking into Uno Mas, [it seems as though you float through the Mediterranean's crystal clear blue waters leading to the magnificent Wine Cellar – an 8-metre wine tower cossetting over 2,000 bottles straddling both the Old and New Worlds.](#)

through the air to pick their preferred bottles. Sommeliers at UNO MAS pride themselves on offering wines at the right temperature and served at optimum conditions.

[Open bottles of fine wine are effectively preserved and appealingly displayed in two units of EuroCave Professional Wine Bar 8.0.](#) Thanks to an exclusive air vacuum system, patented by EuroCave, open bottles are protected from oxidation.

[The equipment's warm, modern mood lighting allows it to blend seamlessly into the chic, lively atmosphere.](#) With the use of Wine Bar 8.0, sommeliers can serve the wine from its bottle, which facilitates communication and enhances the overall dining experience of customers.

Uno Mas brings the soul of Spain to Bangkok through a spectacular setting, remarkable food and wine, and wondrous music beats. [A once-in-a-lifetime dining experience that will have its guests coming back for “one more”!](#)

[GO TO EUROCAVE](#)

newly built hotel in the heart of Cambridge. [Hotel motto is "If luxury isn't comfortable, it isn't luxury."](#)

[Closely working closely with important UK consultant and local dealer mission was achieved to have](#) busy kitchen that can be viewed through a wall of glass from the Restaurant. Rosinox cooking island with special "French touch" stands there and will satisfy customer wishes.

[Name of the Hotel is borrowed from a Persian emperor in a play by 16th century dramatist and Cambridge alumni Christopher Marlowe.](#)

Look is polished and contemporary with subtle accents of Persian influence and echoes of Cambridge's old school charm. Guest rooms and suites are exceptionally spacious, elegant and generous, with handmade beds, crisp linens and exclusive toiletries.

Service is exceptional but never intrusive, all is designed to create an atmosphere of comfortable, understated luxury.
