As the most Michelin starred chefs in the world, [Joël Robuchon](#) has garnered [31 Michelin stars](#) throughout his career. He's achieved accolades, such as [Meilleur Ouvrier de France](#), and [Chef of The Century](#). Creating French food, with all the foundations of classic French gastronomy, but adapting the recipes for the region of the restaurants, Joël has changed the culinary world, and Les Ateliers continue to lead the way.

[L'Atelier de Joël Robuchon London](#) is located in the heart of Covent Garden and it is London's exclusive French experience.

Christophe, the General manager, wanted to [recreate and highlight a space](#) where they were going to make sure that the wines that they were offering, were [stored in the best possible environment](#) and, at the same time, [displayed in the most elegant cabinets](#) and therefore could tempt their customers. This would consequentially lead to an incremental revenue and this is why [they chose to store their wines in EuroCave products](#).

Norway is a country where huge distances, wonderful landscapes and nice life style attracts a lot of tourists fascinated by extreme cold, aurora borealis and all day light in summer.

Almost 3000 km from Oslo, in one of the nicest areas with fiords and astonishing scenarios, stand *Thon Hotel Kirkenes* where French traditional heavy duty equipment participates to provide an enjoyable moment to visitors. Chefs are enthusiastic and will create tasty food with amazing fresh local meat or fishes.

For Rosinox it has been a challenge to manufacture on time a customized cooking island that fit in-between existing walls... and in a white season, customer went GREEN with induction appliances. Proud to be partner of *Thon Hotel*... we cannot any further Nord.
